

## 2020 Mint 400 Race Penalties and Disqualifications

Following thorough research into each race incident, we have come to the following decisions regarding race incidents:

- **Robby Gordon - Class UTV Pro NA - #1971**

- **Incident**

- Driving with no co-driver for a 35 mi stretch of racecourse
- Utilizing an unregistered person in a co-driver position for 1 full lap of the race.

- **Determination - Driver is Disqualified from the race**

- Reason - Having an unlicensed/unregistered driver in the co-driver position for 1 full lap of the race

- The incident of driving with no co-driver for a 35 mi stretch was allowed via Pit A Captain due to a medical emergency.

- The incident of short coursing was evaluated. It was determined that this was done by several other racers as well and is being allowed due to confusion with course markings.

- **Justin Lofton - Class Unlimited Truck - #1**

- **Incident**

- Unsportsmanlike and dangerous conduct toward media on track

- **Determination - Driver is Disqualified from the race & is fined \$3000** (to cover property damage)

- Reason - posing an intentional danger to media staff on track, damage to photography equipment

- **Heath Shoup/Brandon Villano - Class Baja Truck - #232**

- **Incident**

- Danger to safety crew. Failure to avoid contact with vehicle in tow by safety personnel.

- **Determination - Driver is moved to the back of the 4 lap finishers for his class.** This moves the driver from 13th position to 14th position.

- Reason - failure to yield to on-track safety personnel, posing a danger to on-track safety crew.
